**Nature, Scope and Responsibilities as Chaplain Endorser for CBAmerica:**

I oversee all chaplains and their activities. I recruit, approve applications, provide ecclesiastical endorsement and hold accountable all chaplains representing our faith group. I provide pastoral care for them and their families. I supervise over 250 chaplains and their families serving in all branches of the military, federal and state prisons, VA and civilian hospitals, hospice, nursing homes and retirement centers, industrial chaplains, law enforcement, Civil Air Patrol, motorcycle clubs, RV Parks, music and arts and other specialized settings. As an endorser I am recognized by the Department of Defense and the Armed Forces Chaplain Board as the ecclesiastical endorser for our faith group. This provides endorsers with a GS-15 (Colonel) equivalent status for visits to chaplains on military installations.

Rev. Russell is also responsible to raise all funds used in the Chaplaincy Ministry. The budget is set annually by the CBAmerica Board of Directors.
